Beothuk diary assignment

Since you missed the movie *Stealing Mary,* you will do this assignment instead!

Using the knowledge you've obtained in class about the Beothuk, write a one page diary entry from the point-of-view of a member of the Beothuk. Explain your thoughts and feelings on the "white men", the disappearance of your culture, and the impact that the Europeans have had on your life.

Be sure to write in complete sentences! Remember: You are a member of the Beothuk. Use your textbook and notes in order to include some aspects of the Beothuk culture in your diary.
