

**Canadian Geography 1202 –Resource Based Communities**

1. You live in a resource-based community experiencing a downturn. Brainstorm a list of opportunities and challenges that could arise in the community from this economic slump.

<b>Opportunities</b>	<b>Challenges</b>

2. Imagine you live in a resource-based community experiencing significant growth. Brainstorm a list of opportunities and challenges that could arise for the community when large numbers of workers are recruited from other places.

<b>Opportunities</b>	<b>Challenges</b>

3. Explain how resource-based communities may be dependent on decisions made in other countries.
