

Class: _____

Name: _____

1. Calculate the population density for each province.

Population Density by Province			
Province	Area	Population	Density
Yukon	474,391	33,897	
Saskatchewan	591,670	1,033,381	
Quebec	1,365,128	7,903,001	
Prince Edward Island	5,660	140,204	
Ontario	917,741	12,851,821	
Nunavut	1,936,113	31,906	
Nova Scotia	53,338	921,727	
Northwest Territories	1,183,085	41,462	
Newfoundland and Labrador	373,872	514,536	
New Brunswick	71,450	751,171	
Manitoba	533,556	1,208,268	
British Columbia	925,186	4,400,057	
Alberta	642,317	3,645,257	
<i>The pattern that I find is...</i>			

2. Complete the following questions using the density map on page 44 of your textbook:

- a. Where is Canada most sparsely populated?
-
-

b. Which area is most densely populated?

c. Describe the *population distribution* of Newfoundland using the terms *concentrated* and *dispersed*.

d. How accurate is it to say that Canada's population is mainly concentrated in islands along the Canada-US boarder? Explain

3. Describe site factors that led people to settle in each of the cities below:

Site Conditions in Canadian Capital Cities	
City	Why People Settled There
St. Johns	
Halifax	
Toronto	
Vancouver	

Class: _____

Name: _____

Situation Conditions in Canadian Capital Cities (see pg. 45-48)	
City	Why People Settled There
St. Johns	
Halifax	
Toronto	
Vancouver	

4. Answer the following questions regarding Canada's population (pg. 48-51):

a. In the late 1800's most of Canada's population lived in what type of setting?

b. What happened that caused a major change in how Canadians lived

c. In which decade did the population of people living in urban settings become higher than those living in rural settings?

d. What is the term that describes the movement of people from rural to urban settings?

e. How does this trend affect rural communities?

5. Complete the following chart of stereotypical statements about each of Canada's regions:

Looking Closely at What We Say About Others	
<i>I heard that...</i>	
Atlantic Canada is...	
Quebec is...	
Ontario is...	
The Prairies are...	
British Columbia is...	
The Canadian North is...
