Grade 8 Social Studies   European Immigrant Settlements

1. Using the information found in your textbook on page 39, plot the settlement patterns on the map below. Make use of colour to denote each settlement. For instance, you can use green to represent the Irish and blue to represent the French. Your map should be clearly labeled, have a title, and contain a legend. (Please refer to the Skill Builder on page 38.)
2. Complete questions 1-3 located on the bottom of page 39. Be sure to state your answers.
