

## Regionalism in Canada

**Instructions:** Explore a region of Canada (choose one on page 54, this is also a good starting point for basic information. Use my notes and your own research to supplement the materials in the book. With a group, create a Google Slide that contains the following information....

1. **Identify the location with a map** (Atlantic Canada, Central Canada, Prairies, BC, the North)
2. **Physical Characteristics** (Topography [such as mountain building and erosion], waterways, climate, soil, vegetation, wildlife)
3. **Cultural attributes** (Languages, settlement patterns, economics, etc.)
4. **Political perspective** (Political leanings, main issues, divisions, historic or contemporary parties)
5. **Work cited List**
